First number of cook stoves indicates size of holes on top, second number indicates size of oven, which is square. It is usual to trim cooks with ironware only, which consists of two pots, two skillets, and two griddles, but we can furnish the tin trimmings, consisting of

- | | |
|---------------------------------|---------------------|
| Tin Wash Boiler, copper bottom. | 1 Joint Stove Pipe. |
| Tin Sauce Pan, " " | 1 Elbow. |
| Tin Coffee Boiler, " " | 1 Lid Lifter. |
| Tin Steamer. | 1 Pot Cover. |
| 3 Bake Pans. | |

Add \$1.25 per set to price of stove for IRONWARE on 6-inch and 7-inch stoves, and \$1.50 for 8-inch. For tin trimmings, *only* \$3.00 for 6 inch and 7-inch, and \$4.00 for 8-inch.
